Reminders:

- ... The "B" beside your name indicates that you are on Bread that mass.
- ... The person in charge of Bread is also responsible for arranging clean-up.
- ... If you are on duty as Eucharistic Minister you should try and arrive 15 mins. early to allow time for setup and prayers.

Please remember to process in with candles if there are no Altar Servers. Also, if there are no Altar Servers please remain at front, sit in Altar Servers' chairs, and hold candles during Bible Gospel Reading. Replace candles at end of reading and you can return to your pew. Please ask questions if you are not sure.

Also, if you are going to be away, and are not able to find a replacement, please write "vacant" beside your name. That way the other Eucharistic Ministers know to look for help right away.

Father would prefer that a person do only one job at mass.
