

Happy Father's Day

Let us pray for all fathers around the world, especially our own father.

Let us come to visit him or give him a call. He is waiting you. Your presence is very important for him. He needs your presence and your love. Giving gift is very important, but your presence and love is more important than any gift.

Welcome all who are visiting with us today

Parish's News—Announcement and Big Thanks**Dear brothers and sisters in loving Christ,**

On behalf of our parish, I would like to make an announcement to inform you some news. Maybe this announcement makes some people happy. ☐

**The first news:**

The bishop has decided to appoint a new pastor for Christ the King parish. Effective on July 10th, Father Thomas will officially be the pastor for Christ the King. I, on the other hand, will be moving to St. Peter parish in Princeton. I pray that you will welcome him warmly as you had welcomed me.

The past 2 years in CTK had been a challenging, learning experience for me. I learned how to manage the business of running a parish. It taught me that a small Catholic community can be a huge (big) responsibility. And most of all, it taught me about human behavior and how to deal with it with God's teachings and the church's guidance.

The second news:

The **second news** is that Ameer, our parish secretary, has resigned. It's not because of me ☐. Because of her other job's responsibilities and love for travel, she is unable to devote more time working at the parish office. I want to thank Ameer for her great contribution in the office and her continues to support for the new secretary.

The third news:

I would like to introduce to you a new secretary.

Who is a new secretary?

Yvonne Phipps is our new secretary.

I would like to encourage everyone of us to welcome our new secretary, Yvonne Phipps. She is new in the community and our parish.

Let us support her as she transitions into her new position. Her work hours will be posted on the office door.

Finally, I would like to say thank to everyone of us very much, especially, those who have co-operated with me to run this Parish for 2 years. I really appreciate whatever you have worked together with me to support me in different ways and amazing ways.

Once again, I very encourage each one of us to support and respect Fr. Thomas our new Pastor as a new shepherd to lead the sheep of God at our Parish to follow God's righteous way, love and truth and then, we can have a true unity in this faith community. And through your a new shepherd's guidelines, we can receive God's salvation. Similarly, we also need to support Yvonne, our new secretary to fulfil her duties as the Lord has intrusted them to do. In doing so, we are also able to fulfil our duties and we are able to become good Catholics or also like believers.

Thank you very much and may God bless you always. *Fr. Dominique*

**Deadline for submitting Items to be included in the Bulletin is Thursday noon.
Please email to Parish Office, not handwriting.**

Message from Rev Gabriet Chinnaperiannan, in August 2013

Dear Members of the Craft Club in Christ the King, Oliver ,

Greetings from Gabriel May God in Crist give you Peace . I am indeed delighted to have your friendship and company. Even though my stay in Oliver is less than nine months, you made me happy and involved with you all through your good will and generosity, which opened up a new chapter in my ministerial life. Your gathering on every Wednesday's indeed an inspiration for a new commitment to share our God given gifts and talents with our less fortunate noble handiwork in a wonderful way with uplifting examples and praises the women who do such honourable tasks in the following phrase, "praise her handiwork in the city gates." The craft club is also a place where women can socialize with their friends freely while engaged with some productive activity. It creates opportunities for people to come together and buil up last relationships for life. The finished products of your club travels far and wide singing the praises and glory of God's goodness manifested in your craft. What a joy it is for me to esteem your solidarity and good will at this juncture and express my deepest appreciation for making such a difference in our lives, to bring joy and comfort in the lives of those who benefit from your works. Perhaps Jesus is more pleased with you all than most people who share from their abundance. May God in Christ continue to shower upon you his Choicest blessings and be present in you humanitarian endeavours.

In case you pass through Invermere anytime, kindly step in to Canadian Martyrs for a memorable social life, fun and laughter with a cup of hot coffee, which I cherished in our company all through my stay in Oliver, Christ the King.

Affectionately yours, Gabriel. C.

My dear Brothers and Sisters in loving Christ,

The letter from Fr. Gabriel, sent to the Craft Club at our Parish in August 2013 and it is still very important message for us to live our faith. Any group or any of us should imitate the members of the Craft Club to spend more time together and create good relationships with one another. Each of us should become witness of the God's Gospel to bring God to others and to others to God. This is one of great ways to help us to build up faith community, help one another recognizing him or her as a member of the Mystery of Jesus' Body. As we know that Jesus says that He is a Vine and we are his branches.

So, we need to abide in Him and each other. We cannot exist and grow better if we do not abide in God and each other. So, let us abide in God and others daily and through this abiding, we are being grown daily. Let us encourage each other to practice our faith daily by loving each other as the members of Trinity's Family have done—the Father loves the Son; the Son loves the Father; the Father and the Son love the Holy Spirit and also the Holy Spirit loves the Father and the Son.

Fr. Dominique
